

Orlando's

Orange County Convention Center

NORTH/SOUTH BUILDING

Orange County Convention Center's North/South Building brought the total exhibition space to 2.1 million square feet, including a dramatic 1,500 foot pedestrian bridge with moving sidewalks leading to the West Building. With its distinctive architecture and tropical ambiance, the North/South Building was designed for flexibility and functionality. The Center's broad offering of show management and exhibitor services, ranging from catering to telecommunications, are considered one of the finest in the convention industry.
