

Make travel easier.

Bag and Coat Check Valet Parking VIP Luggage Delivery Remote Airline Check-In

Bags, Inc. is the preferred provider of front door services at the Orange County Convention Center. We are dedicated to providing innovative, professional and efficient guest service. To do this, we create and maintain the most highly trained hospitality service teams, ever-evolving support technologies and an unequalled commitment to raising our clients' service excellence. **Each of the services listed below presents great sponsorship opportunities.**

Bag and Coat Check

Bag and Coat Check offers your attendees a safe, secure and convenient location to store their belongings while they attend meetings or visit the convention floor.

VIP Luggage Delivery

Save your attendees time by eliminating overcrowded baggage claim areas. VIP Luggage Delivery reduces stress upon arrival as attendees' luggage is delivered from the airport to their individual hotel rooms. Upon departure, luggage will be transported from the return airport to the final destination of the attendees' choice (home, office, etc.).

Remote Airline Check-In

Remote Airline Check-In service allows attendees to check-in for flights, receive boarding passes and check luggage without leaving the convention center or their hotel. Our service is the largest multi-airline, remote check-in service approved by the Transportation Security Administration in the world. Remote Airline Check-In service will be provided to passengers flying domestically out of the Orlando International Airport on our airline partners listed below.

As an added convenience we offer online enrollment for attendees. Registrants are provided with a URL log-in and password, and asked to fill out their flight information in advance online. When they bring their confirmation page to the Remote Airline Check-In station, boarding passes and luggage tags will be quickly and easily printed. No long airport lines, no hassles. It's that simple!

Advance Purchase Valet Parking

Advance Purchase Valet Parking will give your attendees a stress free parking option located at the entrance of the convention center. Valet tickets will be purchased and distributed to attendees prior to their arrival at the convention center, allowing them to spend more time on the convention floor.
